“

Credilinq helped us scale our TikTok Shop during our biggest product launch. When our video went viral, we had the capital to meet demand instantly. The approval was fast and the terms were crystal clear.

Sarah Chen
Founder, TrendyHome Co.

“

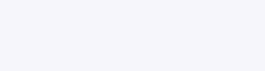

The flexibility is what sold me. We could choose repayment terms that actually matched our payout cycles from TikTok. No more cash flow headaches when we need to reinvest in inventory or ads.

Marcus Johnson
CEO, UrbanStyle Brands

“

What sets Credilinq apart is their understanding of e-commerce. They know our business model and created a financing solution that actually works for sellers like us. It's been a game-changer for our growth.
